## Committee FAQs

### Who serves on committees?

The Chair is appointed by the HCAR President. In making these appointments, the President considers the individual's experience, expertise, and degree of interest in the issues addressed by the committee. The Chair and President, with input from staff, select the committee members based on their special talents and ensuring a diverse committee make-up that represents the entire membership. Most committees are made up of REALTOR® members, but Business Partners may serve on the Education and Events/Community Outreach committees and as Photographer.

### When do committee terms start and end?

Most committees have one year terms, but Grievance and Professional Standards serve for two to three years. Generally committees begin in January and finish in December unless they are a short-term project team or task force.

### Where are meetings held?

All committee meetings are held at HCAR.

### Do I have to attend meetings?

Yes. The success of the committee's work depends on your participation, and your attendance assures continuity of information and tasks. If an absence is unavoidable, you should notify the Chair in advance of the meeting.

### How much time is required?

Most committees meet once a month, sometimes less. There may also be special events or projects the committee is working on that will require more of your time. The average committee meeting lasts an hour. If you are not able to attend every meeting, you can also offer to help with specific short-term projects or events.

### What do committee members do?

The Board of Directors will come up with a strategic plan that will guide committee work and objectives. The strategic plan will be your roadmap to success.

### Do committees make decisions about finances and policies?

Your committee may make recommendations concerning these matters, which your Chair will forward to the appropriate body, whether it be another committee or the Board of Directors. The Board of Directors are the ultimate decision-makers.

### How do committees get things done?

The business of your committee is customarily done by working off of an agenda that the Chair guides you through. Committees discuss and assign tasks and keep projects moving forward at their meetings. Sometimes there is conversation between the meetings via email or online. HCAR staff will also assist committees and provide support, so you are not in this alone!

### May I observe a committee meeting or bring an interested HCAR member?

Most committee meetings are open to members not serving on the committee and they are welcome to observe the proceedings. Some meetings are closed due to confidentiality. Check with the Committee Chair, in advance, to determine if it is an open meeting.

### May I voice my opinion?

Please do! Your opinion is important. When recognized by the Chair, speak up whenever you have a comment, suggestion, constructive criticism or different point of view. If your committee cannot share and explore your ideas, it cannot act to represent the full and best interest of the members.
